NOTES:

- Beginning 1997-98 "First stage graduate" data include master's and non-degree students as well as pre-candidacy doctoral students.
- Except for 2002-03 and 2003-04, second stage graduate student counts include both G2s and G3s. In 2002-03 and 2003-04, only G2 counts were submitted to OP.
- Columns may not sum due to rounding. FTE counts match OP reports.
