¹ For federal reporting of the demographic 'sex', students who report gender identities as female or trans-female are reported as women; students who report gender identities as male or trans-male are reported as men. Students who report gender identities as Genderqueer/Gender Non-Conforming or different identity are reported according to their sex assigned at birth: males reported as men; females reported as women. For more information, see https://lgbt.ucsd.edu/education/FAQs.html

Males continue to represent the majority of incoming transfer students at UCSD.

^{*} Time-to-degree is reported in elapsed quarters from first enrollment date to graduation. Only the records of students who enter UCSD in the Fall Quarter are included in time-to-degree calculations. An academic year is defined as three quarters; twelve quarters equal four years. Summer degrees are combined with Fall degrees, and combined, represent one quarter.

The average time-to-degree for undergraduate students entering from high school is approximately 12.7 quarters or 4.3 years. The average GPA earned by the 2015/2016 graduating class is 3.23.
