#### C9-C12: First-time, first-year Profile

Provide information for ALL enrolled, degree-seeking, full-time and part-time, first-time, first-year students enrolled in Fall 2024, including students who began studies during summer, international students/nonresidents, and students admitted under special arrangements.

# C9 Percent and number of first-time, first-year students enrolled in Fall 2024 who submitted national standardized (SAT/ACT) test scores.

- Include information for ALL enrolled, degree-seeking, first-time, first-year students who submitted test scores.
- Do not include partial test scores (e.g., mathematics scores but not critical reading for a category of students) or combine other standardized test results (such as TOEFL) in this item.
- Do not convert SAT scores to ACT scores and vice versa.
- If a student submitted multiple sets of scores for a single test, report this information according to how
  you use the data. For example:
- If you consider the highest scores from either submission, use the highest combination of scores (e.g., verbal from one submission, math from the other).
- If you average the scores, use the average to report the scores.
