H. FINANCIAL AID

Please refer to the following financial aid definitions when completing Section H.

Awarded aid: The dollar amounts offered to financial aid applicants.

Financial aid applicant: Any applicant who submits any one of the institutionally required financial aid applications/forms, such as the FAFSA.

Indebtedness: Aggregate dollar amount borrowed through any loan program (federal, state, subsidized, unsubsidized, private, etc.; excluding parent loans) while the student was enrolled at an institution. Student loans co-signed by a parent are assumed to be the responsibility of the student and should be included.

Institutional scholarships and grants: Endowed scholarships, annual gifts and tuition funded grants for which the institution determines the recipient.

Financial need: As determined by your institution using the federal methodology and/or your institution's own standards.

Need-based aid: College-funded or college-administered award from institutional, state, federal, or other sources for which a student must have financial need to qualify. This includes both institutional and non-institutional student aid (grants, jobs, and loans).

Need-based scholarship or grant aid: Scholarships and grants from institutional, state, federal, or other sources for which a student must have financial need to qualify.

Need-based self-help aid: Loans and jobs from institutional, state, federal, or other sources for which a student must demonstrate financial need to qualify.

Non-need-based scholarship or grant aid: Scholarships and grants, gifts, or merit-based aid from institutional, state, federal, or other sources (including unrestricted funds or gifts and endowment income) awarded solely on the basis of academic achievement, merit, or any other non-need-based reason. When reporting questions H1 and H2, non-need-based aid that is used to meet need should be counted as need-based aid.

Note: Suggested order of precedence for counting non-need money as need-based:

1. Non-need institutional grants
2. Non-need tuition waivers
3. Non-need athletic awards
4. Non-need federal grants
5. Non-need state grants
6. Non-need outside grants
7. Non-need student loans
8. Non-need parent loans
9. Non-need work

Non-need-based self-help aid: Loans and jobs from institutional, state, or other sources for which a student need not demonstrate financial need to qualify.

Private student loans: A nonfederal loan made by a lender such as a bank, credit union or private lender used to pay for up to the annual cost of education, less any financial aid received.

External scholarships and grants: Scholarships and grants received from outside (private) sources that students bring with them (e.g., Kiwanis, National Merit scholarships). The institution may process paperwork to receive the dollars, but it has no role in determining the recipient or the dollar amount awarded.

Work study and employment: Federal and state work study aid, and any employment packaged by your institution in financial aid awards.

DO NOT INCLUDE ANY AID RELATED TO THE CARES ACT OR UNIQUE THE COVID-19 PANDEMIC

Aid Awarded to Enrolled Undergraduates

H1 Enter total dollar amounts awarded to enrolled full-time and less than full-time degree-seeking undergraduates (using the same cohort reported in CDS Question B1, “total degree-seeking undergraduates”) in the following categories.

• If the data being reported are final figures for the 2022-2023 academic year (see the next item below), use the 2022-2023 academic year’s CDS Question B1 cohort.
Include aid awarded to international students (i.e., those not qualifying for federal aid).

Aid that is non-need-based but that was used to meet need should be reported in the need-based aid column.

For a suggested order of precedence in assigning categories of aid to cover need, see the entry for “non-need-based scholarship or grant aid” on the last page of the definitions section.

Do NOT include any aid related to the CARES Act or unique to the COVID-19 pandemic.

Indicate the academic year for which data are reported for items H1, H2, H2A, and H6 below:

Which needs-analysis methodology does your institution use in awarding institutional aid? (Formerly H3)

- Federal methodology (FM)
- Institutional methodology (IM)
- Both FM and IM

**Note:** These are the graduates and loan types to include and exclude in order to fill out CDS H4 and H5.

Include:

- **2023 undergraduate class:** all students who started at your institution as first-time students and received a bachelor's degree between July 1, 2022 and June 30, 2023.
- Only loans made to students who borrowed while enrolled at your institution.
- Co-signed loans.

Exclude:

- Students who transferred in.
- Money borrowed at other institutions.
- Parent loans.
- Students who did not graduate or who graduated with another degree or certificate (but no bachelor’s degree).

**Any aid related to the CARE Act or unique to the COVID-19 pandemic.**

### H4 Provide the number of students in the 2023 undergraduate class who started at your institution as first-time students and received a bachelor's degree between July 1, 2022 and June 30, 2023. Exclude students who transferred into your institution.

5392
H5. Number and percent of students in class (defined in H4 above) borrowing from federal, non-federal, and any loan sources, and the average (or mean) amount borrowed.

- The “Average per-undergraduate-borrower cumulative principal borrowed,” is designed to provide better information about student borrowing from federal and nonfederal (institutional, state, commercial) sources.

- The numbers, percentages, and averages for each row should be based only on the loan source specified for the particular row. For example, the federal loans average (row b) should only be the cumulative average of federal loans and the private loans average (row e) should only be the cumulative average of private loans.

H15 If your institution has recently implemented any major financial aid policy, program, or initiative to make your institution more affordable to incoming students such as replacing loans with grants, or waiving costs for families below a certain income level please provide details below:

UC's Blue and Gold Opportunity Plan is a financial aid program intended to expand access to UC for low income families. Systemwide tuition and fees are fully covered by scholarship and grant money for eligible students. The plan combines all sources of scholarship and grant awards received (federal, state, UC and private) to go toward covering tuition and fees.

Are these policies related to the COVID-19 pandemic?

- Yes
- X No
